

In 1952, Ed & Margaret Kauffman, owners of Kauffman's Cycles in Christiana, PA held the first motorcycle meeting of the future Piston Poppers Motorcycle Club. Both Ed and Margaret wanted to promote safe motorcycle riding for all the people who enjoyed the sport. During the years, some of these enthusiasts have gone on to become professional motorcycle riders competing all over the United States. We are very proud of their accomplishments and the fact that many started right here at the famous Piston Poppers TT Motorcycle Track.

Now over 50 years at our current location, the Piston Poppers M/C is still going strong and continues to promote the same safe standards from our past generations. We currently hold a few races each year. Our track is located a ¼ mile east of the intersection of routes 10 and 30 near the end of the route 30 by-pass, just outside of Coatesville, PA.

Currently, we are reaching out to local businesses in the area to ask for your support in helping us continue the services that we offer to many of the riders who participate in our events. Piston Poppers has riders of all ages, from just 4 years old to some who are over 60 years young, all from diverse backgrounds, locations and walks of life. Piston Poppers M/C is a non-profit 501 © 7 social club, which is run solely by volunteers.

We are hoping with the help of local businesses we can raise money for equipment needed and ensure maintenance of the racetrack and its surrounding area to continue to remain safe for a fun riding experience. In order for the club to do this, we need your help!

Please consider sponsoring Piston Poppers M/C. Anything big or small would be greatly appreciated. Sponsorship with our club is a unique partnership, with sponsorship, we will do the following to maximize your business exposure.

- \$300 – We will mention your business name over the PA system several times during each race.
- \$680 – We will mention your business name over the PA system several times during each race. We will hang your company banner (included in the cost) at each race. In addition, you will receive free entry for two to each event.
